Answer

THE MINISTER OF STATE FOR POWER, COAL, NEW & RENEWABLE ENERGY AND MINES (INDEPENDENT CHARGE) (SHRI PIYUSH GOYAL)

(a) to (c): Yes Madam. To promote solar roof top systems on buildings of Central Government Ministries and attached offices throughout the country, the Government provides achievement linked incentives. There is no separate target for roof top systems on Government buildings, as these are covered under overall 40000MW target for roof top solar plants.
